

OLIVER
FIRE PROTECTION & SECURITY

Fire Alarm and Life Safety

Fire Alarm and Life Safety installations, upgrades and services by the industry's leading technicians

Our National Institute for Certification in Engineering Technologies (NICET) certified technicians provide a full range of services

Upgrade to the latest and greatest technologies and fully integrate with your existing system

Work closely with Oliver's team of industry specialists to design the ideal specialized system for your project

Our Fire Alarm and Life Safety systems feature state of the art technology from the most recognizable names in the business

Since 1957, Oliver Fire Protection & Security has been your premier choice in Fire Alarm and Life Safety Systems

Testimonial

"Oliver has installed several complete fire protection systems in all types of buildings and via several different contractual capabilities. Despite difficult conditions at times, demanding timelines and of course, frugal budgets, Oliver has always performed to the highest standards and provided excellent service and guidance."
