

## Healthcare Facilities

**We remain focused on YOUR  
Life Safety Systems  
While you remain focused on THEIR  
Life Safety Systems**

For more than 65 years, Oliver has been the premier provider for fire safe & life-secure options for medical facilities in the Mid-Atlantic Region

Experts in new construction or retrofit projects with joint commission compliance standards

Oliver's dedicated team of specialists will create a custom design and install with minimal disruption to your patients and staff

All inclusive service provider for the installation and preventive maintenance of your fire and life safety systems including Fire Sprinkler, Fire Alarm and Security Systems

Oliver provides the latest in access control technology to ensure the right people have the right access to the right places at the right time

Testimonial

*"It was very apparent through the efficiency of the work crews that they understood the critical nature of our facility and patients. The respect and courtesy they displayed was greatly appreciated by all departments affected by the installation"*  
-Thomas Jefferson University Hospital
