

OLIVER

FIRE PROTECTION & SECURITY

Monitoring Solutions

Oliver Fire Protection & Security offers consistent 24/7 Monitoring to set your mind at ease

New installations or upgrades to fully integrate with your existing system

Salient advanced video management system (VMS) for large & multi-building installations

Oliver Fire Protection and Security provides 24/7 central station monitoring to you through your security alarm, fire alarm, elevator emergency phones, and area of refuge/rescue systems

Work closely with Oliver's team of security specialists to assess your individual needs and design a customized solution.

Since 1957, Oliver Fire Protection & Security has been the area's premier choice for Security Solutions.

What is U/L Certification?

Underwriters Laboratories describes their Alarm Certificate Service Program as "setting the industry standard for over 120 years." The program provides a level of confidence for owners, service providers, stakeholders, and code authorities by verifying compliance with specific industry standards. UL currently offers certification services for alarm companies adhering to the following standards: UL 681, UL 827, UL 2050, and NFPA 72.
